

Add An Internet Shortcut to Your Android Home Screen

1. Open **Google Chrome** or your preferred browser. (This tutorial will be demonstrated in Google Chrome)

This is a typical Android Home Screen with a Google Chrome icon.

2. Click the **Google Chrome Icon**.

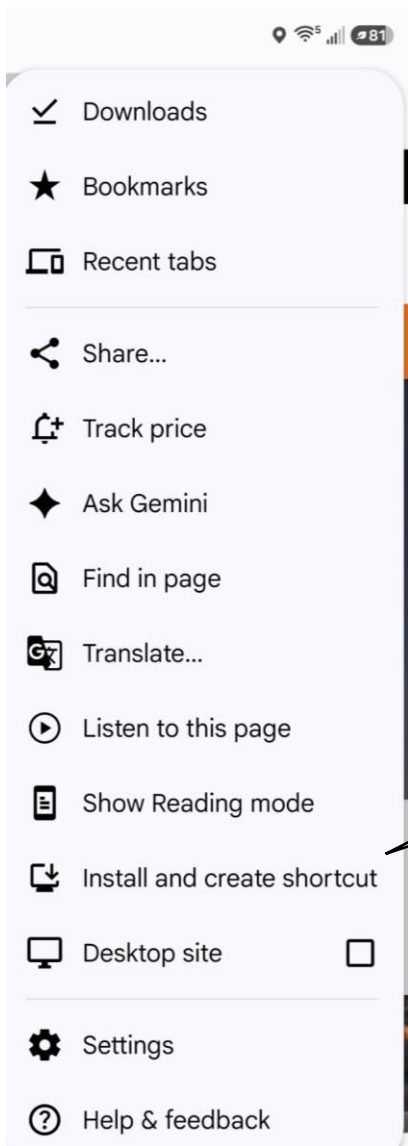

This is a typical Google Chrome screen. Your screen may look somewhat different depending on your device setup.

3. Type **cavecountryhog.org** in the “**Search or type web address**” box.

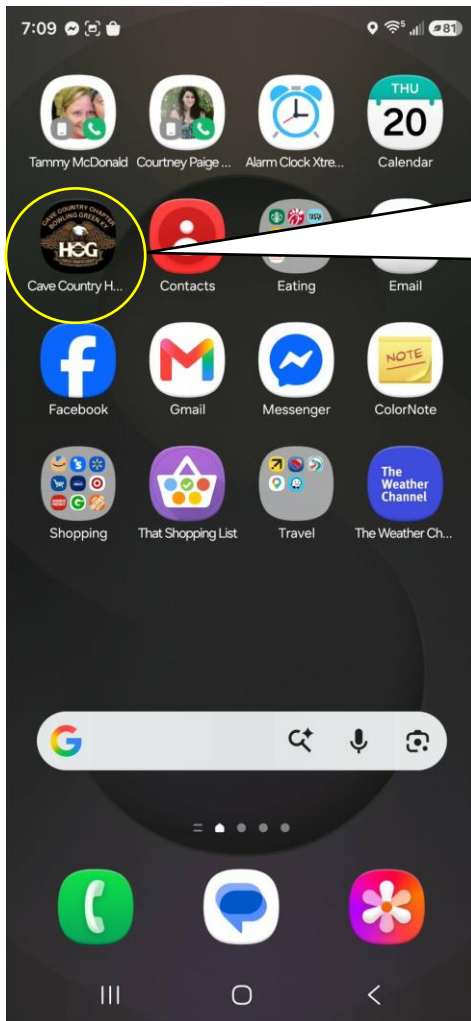

This is the Cave Country HOG website in Google Chrome.

4. Tap the **three-dot menu icon** in the top-right corner

5. Scroll down and select **Add to Home screen
OR **Install/Create shortcut**, and tap **Add**.**

This is an Android phone with the Cave Country HOG website icon. Your icon should appear somewhere in your Home Page(s).

Simply click the new icon to open the CCC HOG website on your phone
